**MEMORANDUM**

**TO:** All Agencies

**FROM:** Joy Grimmer, Director  
Department of Administration

**SUBJECT:** **Home Storage of State Vehicles**

Section 1311 of the State Administrative Manual (SAM) describes the state's policy on the home storage of state vehicles. Pursuant to this section, all agencies are required to report annually to the Director of the Department of Administration all departmental approvals for home storage of state vehicles.

To meet this reporting requirement, please complete the following:

- [W-2 Information Sheet](#) (complete for each budget account)
- [Vehicle Information Sheet](#) (complete for all vehicles in the possession of the agency)

**Forward the original forms via interoffice mail to the Central Payroll Office in Carson City no later than December 12, 2025.**

**Please Note:** If you do not have vehicles being stored at home, you still must complete and submit these forms. Please enter the department, division and the budget account number on the W-2 Information Sheet and write "NONE" across the page.

Home storage of state vehicles should be authorized only under limited circumstances, as outlined in section 1311 of SAM.

For questions related to SAM 1311 or the Vehicle Information Sheet, please contact your department head or designee authorized to approve home storage of state vehicles. For questions related to the completion of the W-2 Information Sheet, please contact Central Payroll at (775) 687-9077.
